Get Moving (Videohive 13389101) - AE Project

2025-02-10 16:59:57   label 我要反馈   下载页面

Get Moving (Videohive 13389101) - AE Project: Introducing GetMoving Indie Showreel, a sleek and contemporary method to showcase your photos or videos! This project boasts a modular structure for effortless customization of all parameters. Alter colours, images, videos, and titles easily, as all are fully customizable.

- Compatible with After Effects CS5.5 and above, offering Full HD resolution (1920 X 1080 px).
- A comprehensive video tutorial includes detailed instructions, comments, and tips.
- Modular Titles allow for easy position and appearance adjustment within each slide's control panel.
- Universal Control Panel enables quick selection of your desired colour palette with just a few clicks.
- Includes 43 placeholders for your content (20 texts, 22 photos or videos, one logo).
- No additional plugins are required.
- Compatible with all After Effects languages.
- Four resolutions are available and ready for rendering!

100% Virus FREE and Safe
