Rodrigozadro – Wedding Lut 2: I have been shooting weddings for Approximately 10 Decades now and I consider myself the luckiest man in the world by doing something that I fell in love with, I am enthusiastic about distributing feelings in it's the purest form, making movies with a powerful visual and artistic effect dependent on the basis of every moment. Working closely with each couple enables me to not share my understanding of this wedding, but to catch it according to their own vision with a romantic, joyous, and cinematographic style.

My fire and distinguishing style has directed me to utilize Various couples all over the world, such as New York, London, Spain, Morocco, El Salvador, Guatemala, and a few other amazing destinations.
