3D Photo Maker (Videohive 53998808) - AE Project:

The "3D Photo Maker" tool enhances photos by adding depth, detail, and realism, transforming them into immersive experiences ideal for various occasions like portraits, sports, and social media content.

It offers easy adjustments through sliders and automatically generates depth maps using AI in After Effects or a one-click option in Photoshop.

The tool supports multiple aspect ratios, integrates with After Effects and Premiere Pro, and requires either Photoshop or Depth Scanner Lite.

Additional features include customizable controls for scaling, blurring, particle effects, and optics distortion, with detailed video tutorials provided.
