Some Recommendations

High-resolution images are best for Photoshop Action. It is recommended that you use resolutions of 1500px X4000px pixels.

Save Time

Leo99Designs Photoshop Actions were created to help you save time. This is something that even the most talented designers could achieve in a matter of days. It would take weeks, if not months, for an average designer to achieve such effects. Photoshop Actions are easy to use. They are easy to use even for beginners.

Tested

To ensure that there are no errors, this action is tested on between 50 and 150 photos. If you experience any errors, please email me to let me know. You will be solved quickly.

Organised

Once each action is complete, the layer structure is created. To create a tidy working environment, each layer and folder is named and colored appropriately.
