

Brush In Opener (Videohive 18627110) - AE Project

2025-02-10 16:52:18 label 我要反馈 下载页面

Brush In Opener (Videohive 18627110) - AE Project: The Brush In Opener is a great choice to open your television show, video slide show, or any other opener for media. Simple and well-organized project. With the tutorial included, you'll have all the information you need to understand your project. You are able to easily change the titles within the scene because it has modular and has the entire explanation in the video tutorial included. 28, animated strokes give the user the ability to apply any way you like to create transitions, even create new scenes. Inside, you'll find a single audio comp, where you insert audio from the preview. Then simply select your video, alter the color of your file and then render the file.
