NFT Promo (Videohive 37460700) - AE Project: After Effects Template to make NFT arts promotion or a completely new collection, or an NFT gallery, or lookbook.

NFTs are cryptographic tokens that are exclusive that are saved on the blockchain. They could be used to represent objects like artwork. They are suitable for photographs and videos. The cards consist of empty space as well as text. You can change the cards to make your personal promotions.

The template is very convenient and adaptable in use. It is suitable to cover a variety of subject matter. You can alter the colors by using Color Control as well as the speed of the video. You can then add your text. Finally, include your logo's music and font, and you'll have a movie that is based on your personal vision and style.

- 12 card scenes
- Color control
- 4K 3840x2160
- Modular structure
- Create screens, images, or videos.
- After Effects CC18 and above
- No plugins required
- Music and screens are not included.
