Music And Podcast Icons And Titles for AE VH-53577293:

"Music And Podcast Icons And Titles" is a creative After Effects template that offers hand-drawn, smooth animated icons with a music theme.

The animations include items like an mp3 player, CD/DVD disk, equalizer, earphones, microphone, and tape, all paired with editable text layers.

The template features full color control, 4K resolution, and is compatible with After Effects 2021 and later.

It's ideal for enhancing music videos, podcasts, media presentations, and promotional content.
