Atlas Audio Digital: Digital by Atlas Audio is an array of 21 sound samples designed to create Afro Trap, Hip Hop, and Trap music. The sample pack includes carefully crafted sounds of instruments like Electric Piano, Piano, Guitar, Bell, and Pluck. This library was influenced by top artists like Drake, Lil Uzi Vert, and Playboi. All samples and sounds are licensed under a Royalty-Free license for users in commercial productions or DJ/Remix use. Get creative by using Digital by Atlas Audio and provide your tracks that are not finished with the elements required to bring them to life. Bring your imagination to life using Digital at Atlas Audio and give your not-finished tracks the exact help they require to bring them back to life.
