ELEVATE YOUR TITLES

Titles serve as the viewer's first and last impressions. With FILM TITLES VOL. 3, we've simplified the process, making it easier to create a striking first impression for your audience.

2 VERSIONS

Recognizing the need for versatility in today's video editing landscape, we've thoughtfully included 16x9 and 9x16 versions for each title template, ensuring compatibility with various aspect ratios.

EDIT YOUR WAY

Each title template comes with Photoshop and After Effects versions, allowing you to edit and seamlessly export them into your preferred editing application.

BEFORE & AFTER

Experience the transformative impact of an elevated and cinematic title. Whether it's the opening title of your project or the closing credits, make a bold impression that sets the tone for your edit. Elevate your titles with FILM TITLES VOL. 3!

What is Tropic Colour FILM TITLES?

Tropic Colour FILM TITLES is likely a collection of professionally designed title templates or presets for video editing software. These titles are crafted to evoke the aesthetic and style of classic film titles, offering users a quick and easy way to add cinematic flair to their projects. The package may include a variety of title designs, ranging from bold and dramatic to elegant and minimalist, allowing editors to choose the perfect style to complement their video content. Tropic Colour is known for providing high-quality assets for filmmakers and video creators, so their FILM TITLES collection likely upholds this standard of excellence.
