Urban Stories (Videohive 39087005) - AE Project: After Effects template for social media Instagram Stories Tik Tok advertising, short videos for YouTube, Snapchat, and any other horizontal advertising. A crisp and fresh design with carefully cut elements of paper help catches the younger generation's interest. Ten striking designs can be used to improve and design the content posted on social media. Each Story comes with a range of options. It is simple to change the hue of your Story using Color Controls. You can also alter the font by content, location, and size. You can select any other font that you prefer if you need. Then, add images and music to make your social media marketing campaign brand new. This project comprises:

- Color control
- 1080x1920
- 100% After Effects
- Fast Render
- After Effects CC18 and above
- No plugins required
