**The Unity Asset - Monster Full Pack VOL 1** is a comprehensive collection of original monster designs suitable for various genres, including Heroic Fantasy and Sci-Fi.

#### How to design your project imaginatively?

You can use "Unity Asset - Monster Full Pack VOL 1" to design your project.

This pack combines Monster Packs Vol 1 through 6, featuring a total of 30 distinct monsters such as Arthromahre, Bufomorph, Carcidonte, and more. Each model is rigged to the Mecanim Generic Rig Set Up and utilizes Standard Built-In materials, which can be upgraded to URP or HDRP using the appropriate Upgrader Tool.
