#### CRAWAT 35MM Film Look Presets:

This pack includes 13 versatile 35mm film-look presets and 7 LUTs, perfect for adding a unique, consistent style to photos and videos.

Suitable for Lightroom on desktop and mobile, as well as .cube LUTs for Premiere and other video software, these presets work across various subjects like cars, landscapes, portraits, and food. Easy to download and apply, they allow you to customize by adjusting sliders for white balance, brightness, and more, making them a solid foundation for creating your own aesthetic.
