Opener Abstract Animation AI Beauty of Technology VH-50899456: This project includes all pre-rendered files for seamless integration. The After Effects files are compatible with all languages and offer a resolution of 1920x1080 pixels. You'll find eight lower-third designs, all requiring no additional plug-ins. Created in After Effects CC 2024, this project is easy to customize, mainly when experimenting with colours. A tutorial video is also included to assist with any setup or customization needs.
