

Communication Explainer for After Effects (Videohive 50253008) - AE Project

2025-02-10 16:37:47 label 我要反馈 下载页面

**Communication Explainer for AE VH-50253008:** Simplify the intricacies of communication with the Communication Explainer template, featuring four animated typography scenes that convey the essence of effective interaction. With customizable colors and editable text, this template is ideal for crafting explainer videos, social media content, and educational presentations. Its clean and flat design, complemented by hand-drawn characters, makes it well-suited for promotional materials, modern advertisements, and conferences. This versatile template, designed for After Effects 2019 and above, effortlessly explains communication concepts in a visually engaging and minimalistic manner. Whether for corporate training or classroom learning, it brings clarity and vibrancy to the multifaceted subject of communication.

- Four unique animated slides for dynamic content delivery
- Complete color controls for personalized aesthetics
- Font links are included for consistent typography
- In-depth video tutorial for easy implementation
- Compatible with After Effects 2019 and above, with no plugins required
