Youtube Elements (Videohive 52602248):

Youtube Elements is a versatile template designed for After Effects and Premiere Pro, compatible with versions 2021 and above.

It features 24 text placeholders, 1 logo placeholder, and 6 image placeholders, offering extensive customization options through color controls.

The template ensures fast rendering at 1920×1080 resolution and includes a tutorial for easy setup.

With durations of 0:08 for each element, it's ideal for creating dynamic and engaging YouTube videos or presentations. Note that music is not included with the template.
