Sonic Academy Corren Cavini Wreck My Head: Sonic Academy proudly welcomes new instructor Corne Kamminga, aka Corren Cavani, this week. He will be presenting an in-depth look at his newest track, "Wreck My Head" featuring stunning vocals from YSA, which Zerothree Music released.

Originating in Haarlem from The Netherlands, he made his club debut as a DJ at just 15 years old and has since gone through the ranks, from strong to weak in developing his own unique techno-infused musical productions.

In this 2-hour course, we cover each segment of the track that was created using Ableton Live, from the low end, arps, chords, and the classic synth sounds, to drum and percussive parts, as well as vocal recording tips, processing, and FX, before ending with how the instructor laid out the track.

Filled with techniques and tips on how to achieve a varied and unique music sound, this one is not to be missed.
