Tricia & Victoria Co – The Studio Pack:

The Studio Pack is designed specifically for natural light studio photographers, offering 10 versatile color presets and 1 black-and-white preset. These presets cater to various lighting conditions such as overcast, bright, muted, cool, and warm environments.

The pack includes pre-selected white balance and exposure settings to help achieve warm, creamy tones, which can be easily adjusted if needed. Additionally, a PDF guide is provided to explain how to effectively use and modify the presets for optimal results.
