### Care4Art – Atmos IV:

The perfect shot under the right conditions isn't always feasible. This is the reason we developed ATMOS for you.

Thirty-four optically recorded and high-quality jpeg overlays plus 30 brushes that are easily loaded into Photoshop (or any other similar photo editing software, such as Affinity Photos). This pack includes a range of elements like glowing, regular flares, and anamorphic lens flares, which give you top-quality and real-looking results. The soft edges and feathered edges let the overlays and brushes operate at any angle in your photos.
