DYNAPIX Dare 2 Travel LR Mob and Desk Presets By asokeretope: While I can understand your desire to face your fears, what about traveling with no photos to show off your journey?

Dynapix's travel presets can color-grade your photos but also reveal deep blues sky, pop colors, and call attention to your audience to tell them how much they would love to go on your next adventure.

5 premium presets to enhance exposure and underexposed photos. These presets are as powerful as professional Lightroom presets. If you want to face your fears and present great pictures, these preset will make your instagram and portfolio stand out from the crowd.

- One-click to get professional results (no user input required).
- You can easily edit and apply presets
- Presets can be customized to your liking
- Compatible with both iOS and Android
- Both the Paid and Free Lightroom Mobile are compatible! These presets can be used without an Adobe subscription.
- It works great with photos shot on iPhone, Android, or Professional Cameras.
- Compatible with Lightroom 4 and newer, as well as Photoshop CC CameraRaw.
