MotionVFX - mTag:

The content introduces a comprehensive toolkit of over 100 sale-themed modules exclusively for Final Cut Pro X (FCPX), designed to enhance product advertising with eye-catching price and sale tools.

It features astounding animated elements to illustrate concepts like sales, special offers, and price cuts, all with on-screen controls for easy arrangement.

The pack includes 100 FCPX titles, is compatible with FCPX 10.4 and Motion 5.4 or later, and supports both Apple Silicon and Intel chips. This essential pack is ideal for creating visually appealing commercial edits that grab attention and effectively communicate promotional messages.
