- Pre-rendered in 30 FPS, Full HD. With more than 12 text and 4 Video / Photo placeholders, a logo, and an End tag.
- Smooth and slow transitions between different angles show the electric guitar.
- A Show Logo of the brand follows it.
- One version can be used as Credits or Titles/Opener, and another version can be used for a quick slideshow.
- Ideal for Generic intro videos, Live Music Concerts, Bands, Classic product promotions, Slideshow, Musical Performances, arts, etc.
- It is easy to modify text inside the placeholder. The font used is Roboto.
- Music in the Preview Video isn't included—the intense Tribal Drums by Bluebuddy.
