Canvas Mockup Set By Deeplab

2025-02-10 16:59:42　　label 我要反馈　　下载页面

Canvas Mockup Set By Deeplab: This stunning new Canvas Mockup Set includes 23 premium scenes, 4k backgrounds, card designs, and many other options. This mockup set contains 23 canvas mockups you can use to create art, photography, or decoration. This mockup bundle comes in three sizes: horizontal, vertical, and square.

With this Canvas PSD mockup, you can create a professional-looking art design showcase in just a few clicks. Simply replace the elements in your designs with smart objects from the PSD document, and then save them.

After adding your designs to the mockup scenes, you can share your advertisement presentation easily on Behance, Instagram, and dribble.

- Resolution: 6000x4000px
- 23 different mockups
- Smart Object allows for simple customization
- Layers that are well-organized and properly named
- RGB Colors
- Standard square, horizontal, and vertical dimensions
- You can easily change the color of your garments
- Canvas texture details
- Separated shadows
- Perspectives from professionals
- Compatible with Adobe Photoshop
