Scott Robert Lim – Lighting: Drama & Flair: Learn to elevate your existing images with captivating dramatic lighting effects. I'll guide you through simple and advanced techniques, explaining why these methods are effective and providing valuable insights into enhancing your imagery.

This course is perfect for you if:

- Your images lack the drama and impact you desire.
- You've struggled to create more dynamic lighting in your photos.
- You aspire to develop a signature, award-winning style but aren't sure where to start.

Imagine being able to:

- Transform ordinary images into visually striking photos using straightforward techniques.
- Achieve a Film Noir-inspired aesthetic from relatively simple images.
- Elevate your images to new heights of visual impact with dramatic lighting techniques.
