What is PACK 05 Outdoor LR Presets" by G-PRESETS

"PACK 05 Outdoor LR Presets" by G-PRESETS likely refers to a collection of Lightroom presets designed for outdoor photography, created by the company or creator known as G-PRESETS. Lightroom presets are sets of pre-defined adjustments and settings that can be applied to photographs to achieve specific looks, moods, or styles in a consistent manner.

In this case, "PACK 05 Outdoor LR Presets" is the fifth installment in a series of preset packs specifically tailored for outdoor photography. Each preset within the pack could offer a unique aesthetic, whether it's enhancing colors, tones, contrasts, or atmospheres to match the characteristics of outdoor images.

G-PRESETS or the specific creator behind these presets, likely offers them for sale or download on their official website, photography marketplaces, or platforms that specialize in presets and photography resources.

If you're interested in using these presets, you would need Adobe Lightroom or Lightroom Classic to apply them to your images. Keep in mind that while presets can be a fantastic way to streamline your editing process and achieve specific looks, they might require minor adjustments based on the lighting and conditions of each individual photo.
