What is Onlyxne 808 Mafia Multi-Kit 0002?

The "MULTI-KIT 002" by Onlyxne appears to be a comprehensive drum kit or sample pack for music producers. To use this kit effectively, producers would typically import these sounds into their preferred music production software, such as FL Studio, Ableton Live, or others, and integrate them into their creative process. The inclusion of mix/master presets suggests that Onlyxne provides tools for achieving a polished and professional sound in your music.
