Twig & olive : Moody matte atns: Moody isn't just a color scheme; it's a state of mind. Dive into atmospheric aesthetics with our Photoshop Moody Matte CC Actions. These actions infuse a touch of matte mood into darker and brighter images, offering a range of softness to suit various moods. Twig & Olive relies on these actions for everything from newborn shoots to weddings, particularly favoring images captured in open shade or during the golden hour.

Included Actions: Bliss | Campfire | Dune | Fall Fields | Flame | Hazy Matte | Heavy Matte | Island | Mellow | Moody Matte | Mountain Matte | Rainforest | Redrock | Relic Matte | Smolder | Stella | Tone | Wandering Off

Compatibility: This product is exclusively for Adobe Photoshop CC and is incompatible with CS6 and earlier. It does not work with Adobe Lightroom, Lightroom CC, Lightroom Classic CC, Adobe Camera RAW (ACR), or Adobe Photoshop Elements.

Usage Tips: Actions are designed to accelerate your workflow by providing a consistent starting point. Achieve your desired look by adjusting the action's opacity in the layers palette. Remember that one-click edits may not always apply, so fine-tune them as needed.

Special Features: Designed to emulate the look, feel, and workflow of Lightroom Presets with the same namesake, these actions leverage the Camera RAW Filter in Photoshop CC. Each action creates a single layer, allowing for easy adjustment of layer opacities, excluding the B+W actions.
