- Compatible software: Adobe Lightroom
- The project comprises: LRTemplate

It doesn't matter whether or not You are waxing nostalgic for a Holga printing or whether you've never taken a roll of Movie on your own life, Twig & Olive's Warm Film Lightroom and ACR Presets have been The response for the cursory appearance you desire. This set requires All the velvety Attributes from Harvest Matte, however with much more control to tweak the colors on your Pictures out of a coffee-with-cream to milder expresso tones, finishing with a subtle matte look. It is a daring choice for the photographer who needs a mild Grain and a classic picture texture. Just like All our presets, these perform Best on pictures taken in open shade or through the gold hour.
