Glitch Urban Package (Videohive 55657061):

This After Effects template brings an innovative modern reinterpretation of urban aesthetics, integrating creative urban elements with stylish glitched animations. The design offers dynamic transitions, vibrant color controls, and versatile formats for both vertical and standard screens, making it perfect for high-energy intros, urban-themed stories, or promotional content. Designed for effortless customization, the project ensures a user-friendly experience without requiring additional plugins.

"Glitch Urban Package" Sample:

- **Compatibility**: Works seamlessly with After Effects CC 2021 and later versions.
- **Creative Outputs**: Includes 3 Vertical Stories for social media or mobile-friendly platforms.
- **Intro Variations**:
  - A 45-second Intro for comprehensive storytelling.
  - A 25-second Intro for concise, impactful messaging.
- **Transitions**: Comes with 6 unique and modern glitch-inspired transitions.
- **Resolution Options**:
  - 1920×1080 for standard screens.
  - 1080×1920 for vertical/mobile-oriented screens.
- **Customization**: Includes easy-to-use color controls for tailored designs.
- **Ease of Use**: Designed with user-friendliness in mind; no plugins are required.
- **Learning Support**: A detailed video tutorial is included for step-by-step guidance.

This template combines modern design trends with practical flexibility, making it an excellent choice for creators seeking an urban yet futuristic aesthetic.
