With more than 2500 video effects give your videos the Cinematic edge only utilized in High-End Productions

If you're making high-quality videos, every second you save more than most people realize.

Professionally edit your videos in half the time. With more than 2,500 high-quality, quality transitions, LUTs, lens flares, and overlays that have a responsive resolution of up to 4k.

Drag-and-drop effects that are easy to use allow you to create your films quicker (and simpler) to bring to life than ever before.

The Content You Receive:

- 700+ different transitions
- 1947+ Color Grading LUTS
- 250+ Lens & Flares Overlays
- It works well with MAC & PC
