Evolumina Presets Master collection (Mobile & Desktop)

2025-02-10 16:44:32　　label 我要反馈　　下载页面

Evolumina Presets Master collection (Mob & Desk): Enhance your photo editing workflow with these professional filters! Designed to expedite your process, these 25 presets offer a unique touch, providing an excellent foundation to make your photos stand out. Tailored for diverse locations worldwide and various settings, this pack complements any scenery. Developed and utilized by landscape photographer Marcel Lesch, these presets have significantly influenced his recent work.

This comprehensive preset pack is the most extensive available, ensuring versatility for various editing needs. Compatible with Lightroom 4-6, Lightroom CC, Lightroom Classic CC, and the Lightroom Mobile App, the presets come in .xmp and .dng files, suitable for RAW and JPEG photos. Elevate your editing experience and start transforming your images right away!

- 25 Lightroom Presets
- Installation guide for mobile presets
- Compatible with the Lightroom Mobile App for iOS and Android
- One-Click Edits
