An enormous collection of plastic wrap designs and textures, as Photoshop Brushes. It is made from real plastic material - plastic bags, wraps wrapped in dots, etc.

In the package:

- 66 huge Plastic Texture Brushes (5000 For PS CS6 and CCC)
- 42 plastic form brushes (1500 to 5000 pixels All PS versions)
- 90 square Plastic texture brushes (2500 pixels | All PS versions)

These brushes have high resolution and can be a fantastic option for your next project. You can use them to create invitation cards, banners, cards, and templates, flyers cover, posters, printing, web design applications, websites, and presentations, as well as designs, art, and cases.
