Distort Copier Photo Effect - 6850434: The handouts that were freshly printed were splattered with the ink’s heated supply? Look at the abstract image that appears for fresh ideas instead of a typographic calamity. To reduce the number of waste materials, such as paper sheets you can apply this distortion effect on photos and always be able to spot flawless copier errors!

The product's name implies that it's a photographic asset, it's not a bad idea to edit photos with typography. The characters appear smudged in a grunge style and the overall design gets a sassy vibe. The procedure is as simple as it could be adding a photo and selecting one of **three copier effects** and then selecting an option with **6 colors** and choosing between **four distortion effects**. Event promotion or a fashionable newsletter The edited images will generate lots of attention-grabbing energy!

- High-quality PSD file;
- 3 copier effect styles;
