Unity Asset - Animated Hands with Weapons Pack v1.2:

Introducing a dynamic addition to your arsenal: FPS hands wielding 18 unique weapons, each meticulously crafted with PBR textures for a lifelike appearance.

1. FPS Hands with Automatic Rifle:

This set boasts 12 animations, seamlessly blending action and precision:

- Aiming Idle
- Aiming Shot
- Aiming Walk
- Get
- Hide
- Idle
- Idle (Alternate)
- Recharge
- Run
- Shot
- Walk

With PBR textures including Albedo, Ambient Occlusion (AO), Metallic, and Normal maps, every detail of your firearm and hands is rendered with stunning realism.

2. FPS Hands with Axe:

The immersive experience continues with this axe-wielding set, featuring essential animations for fluid gameplay:

- Get
- Idle
- Idle (Alternate)
- Walk
- Run
- Attack
- Attack (Alternate)
- Hide

Incorporating the same high-quality PBR textures, these hands and weapons come in 10 vibrant colors, offering versatility and personalization to suit your vision.

Whether you're navigating intense firefights or embarking on epic quests, these animated hands and weapons are primed to elevate your FPS experience to new heights.
