Bit Master – Bitmap PSD Template CM - 7320479: 6 Unique Layer styles. Fully editable and customizable Photoshop Templates. Create stunning designs in seconds.

Contrary to similar products, this one is not an application pack but actually, Photoshop is a template editor that can be edited and adjustable layers that can be edited and adjusted. It does more than just transform your image from grayscale, but creates the effect of a bitmap over a Smart Object. You are able to play around using light, colors, and size to create your desired result and manage the whole process.
