

Meridian Presets – India Earl – Light Leaks (Mob, Desk)

2025-02-10 16:41:17 [label](#) [我要反馈](#) [下载页面](#)

Light Leaks allow photographers to be more creative in their editing by imitating film's light leaks. You can use them to draw attention and cover up any distractions.

Light Leaks contains 32 graduated filters that you can use in one click. Or, get creative and modify them to your taste. These filters were created to offer options for photographers looking for something subtle and natural. We also have options for those who wish to create an editorial film feel with unique leaks.

What's Included?

This set includes 32 graduated light leak effect creative filters.

What SOFTWARE do I need to use these?

India Earl Light Leaks are compatible with Lightroom Classic 7.5 or higher, Camera RAW 10.5 and higher. Before purchasing, please verify your version number. The Lightroom Mobile app is required to view our mobile presets.

How do I install the PRESETS?

If you have an account on Meridian, you can use our installer software. You can also use our Lightroom Mobile installation guide if you are checking out as a guest.

I HAVE SUSPECTED PERFORMANCE ISSUES WHEN I WORK WITH THE EFFECTS. What's the problem?

Performance may vary depending on the system you have. Smart previews should be activated if you experience performance problems. If this does not work, you can try the light leaks for edited.jpg images. This will make your experience smoother.

DO I GET A REFUND IF I DON'T LIKE THEM?

Our creatives and we put a lot into creating presets that are both valuable and satisfying for the photography community. We cannot offer a refund. You cannot issue a refund as this product is digital and downloadable. Before purchasing our products, please read carefully our Terms and Conditions. To purchase this product, you will need to sign and confirm our Terms & Conditions.
