Dawn Charles – DC Presets Pack Five: The pack is simple and versatile. It gives you a beautiful editorial edit and lets your photo shine through clean, bright highlights, vivid shades, and natural, healthy skin. These timeless edits will bring out the natural beauty without an edited look, making photographs that last the tests of time.

All DC Desktop Preset packs come with a base color palette with two B&W presets and 31 modifier presets to help you selectively improve and improve the edits you make (e.g., "pop," "subtle," "filmy," "hazy," "creamy," multiple skin correctors, various green correctors and more) and the mini editing course and as well as an "edit with me" video that is specific to each pack and a PDF guide that includes installation and download instructions, editing guidelines, and much more.

It is compatible to work with Lightroom as well as Adobe Camera Raw.
