Archipelago Quest – 23 Odeon Presets: Quest 23 Odeon delivers a subtle cinematic style that permits the story of your photograph to unfold in a remarkably engaging manner. Three options provide a unique base for your photo, and the three Color Grade presets can be added on top of each other and used alongside the "preset amount slider" to enhance the appearance. Odeon's Odeon creative profile provides the ultimate flexibility, allowing you to adjust the shadows and highlights across the image, giving the complete ability to control the range of dynamics. Tools like Anamorphic Flare, Cinematic Haze and Background Texture, and Black Bars use Adobe's advanced mask features to add an artistic edge to your projects.
