Poria – Modern Display Font: Poria can be described as modern and contemporary, with seven weight choices, stunning alternatives, and a plethora of unique monogram ligatures. The distinctive feature characteristic of Poria is the O, the letter O, which is broad when compared to other characters, and it is modern and appealing.

Poria can be appropriate for a name or logo for fashion labels, cosmetics magazines, etc.

How do I get access to alternatives?

- Adobe Photoshop go to Window - Glyphs
- Adobe Illustrator, go to Type Glyphs
- Other (Canva, Cricut Design Space, Etc), open the font book (Mac) or Map of Characters (Windows). You can set it to display all Glyphs you want to copy, then copy the glyph you wish to use and paste it.
