Sound Ideas – Sony Pictures Sound Effects Library Volumes 6 -10: Sony Pictures Sound Effects Series Vol 6-10 contains more than 1,100 royalty-free sound files that are 16 bits 44.1 kHz format. Now on DVD. The sound-designed effects included in this collection test the boundaries of science fiction. They provide various nail-biting sounds of horror and transport you to the world of the fantastical or into an earlier Civil War battlefield. There is also a collection of layerable 5.1 Surround Sound Explosions. You can alter the volume of each to suit your personal preferences, or boost your sub or eliminate elements to create the most basic quadraphonic sound. The accompanying book includes interviews with five of the most famous, significant sound design experts, and their secrets of the trade. Sonic elements from the most innovative films in cinema -- Sony Pictures Sound Effects Vol 6-10.
