Torn cardboard textures CreativeMarket - 6115430: Torn Cardboard textures offer an amazing editing potential that can create a torn lounge effect. Ideal projects like urban brands, sneaker shops, skateboards, BMX, merchandise, album art, etc. !.Also is a great background for badges - old logos.

Incredible details on each surface, a variety of ripped forms and edges to complete your designs!

Perfect for use in conjunction with Photoshop, Procreate, After Effects, or any other image editing software.

- 70 torn Cardboard patterns (PNG)
- 30 textures of cardboard (JPG)
- 12 Extra textures! (PNG as well as JPG)
- Instructions
