Vintage Film: LR Presets & Film Dust By J.Studio CreativeMarket 6343141: You can feel the authentic film feel with this bundle. This bundle includes vintage presets that will make your photos look authentic, and a selection of carefully crafted film dust to enhance the vintage film camera experience. These Lightroom Presets are available for both mobile and desktop versions. The scratch textures can also be found in Photoshop for Mac/PC and mobile Photoshop Mix. The combination of presets with textures makes an image unique and aesthetically pleasing. You can create your own combinations of these effects to achieve the look you desire.
