Gfx plugin details of Cinepacks - Paper FX 2
The product is in **After Effects category** , for more information about this post you can click on the home page link in the sidebar.

"Cinepacks - Paper FX 2" Samples:

With each video pre-keyed in 4K resolution, integration into your workflow is seamless - simply download, drag, and drop. Included are 26 transitions featuring diverse textures like duct tape and cardboard, accompanied by 29 transition sound effects and 7 animated frames.

The drag-and-drop functionality ensures ease of use, allowing users to achieve premium stop-motion animated graphics without the need for manual animation. These clips are compatible with most professional editing software, including Premiere Pro, Final Cut Pro X, DaVinci Resolve, and Avid, with an additional green screen version available for Sony Vegas users.
