

My Trip (Videohive 5273005) - AE Project

2025-02-10 16:40:47 [label](#) [我要反馈](#) [下载页面](#)

My Trip (Videohive 5273005) - AE Project: "My Trip" offers an engaging platform to showcase your travel, voyage, or journey experiences in an attractive and documentary-style format. Its simple and clean design lets viewers focus on the images, videos, and text, making it ideal for various projects such as slideshows and photo contact sheets.

The template includes:

- 25 placeholders for pictures or videos
- Six placeholders for maps (replaceable with other media)
- Six areas for text
- One slot for a logo or final text (which can be replaced with text only)
- Complete expression control enables extensive customization:
- Adjust placeholder borders' colour, opacity, size, feather, and roughen edge effect
- Toggle shutter effects and grayscale colour for placeholders with a single click
- Modify map roughen edge effect
- Choose between two colours for the background wood (light or dark)
- Help file included for easy navigation
- Template resolution: HD1080
- Template length: 1 minute and 35 seconds
- Compatible with Adobe After Effects CS3 or higher
- No third-party plugins required
