Shobeats NWANTITI Afrobeats and Guitars (WAV, MiDi): "NWANTITI Afrobeats and Guitars' from Shobeats is an all-in-one Afrobeats Sample Pack that is crafted using Groovy Drums, Percussions and outstanding Melodies with a particular focus on the real Guitar. It contains 100+ WAV loops with 74 One-Shots as well as 47 MIDI files. The music is influenced by the music of Wizkid Burnaboy Davido, Yemi Alade, Rema, Ckay, D Banj, and more.

This pack is a unique item of today's trendy Afropop beats, Afrobeats, and Dancehall music. You'll get all the sounds in a separate format, such as percussions, drums, and instruments. It also includes all MIDI patterns, crafted at a professional level to increase your production!

Included files

- 100+ Loops (Including Melodics, Drums, Percussion, Bass, & Vocals)
- 74 Drum One-Shots (Including Bass, Drums, & FXs)
- 47 MIDI Files (Including Melodies, Chords, Basslines & Drum patterns)
- 100% Royalty-Free
