**Coloso – Anime-Style Background Design:** Join Luc, a freelance illustrator specializing in atmospheric anime-style backgrounds, as he guides you through mastering the art of creating immersive perspectives in your drawings.

In this class, you'll learn how to infuse ambiance and emotion into your backgrounds, capturing the essence of a scene through careful attention to visual flow, angles, and ratios. Luc will teach you how to effectively use perspective grids to frame your backgrounds and create captivating compositions that draw the viewer in.

As someone who has recently embarked on their illustration journey, Luc understands beginners' challenges and struggles. Drawing from his experiences, he aims to share his insights and discoveries with aspiring artists, helping them navigate their artistic paths.

### Class Highlights:

- **Understanding Composition Logic:** Discover the importance of intentional placement within your artwork to guide the viewer's gaze smoothly through the scene.
- **Mastering Perspective:** Learn the fundamentals of perspective drawing and how to apply them to confidently enhance your illustrations.
- **Flexible Layout Techniques:** Gain the skills to compose illustrations with freedom and fluidity, applying fundamental principles only where necessary to achieve your desired visual flow.

Whether you are a novice seeking to refine your skills or an experienced artist exploring new techniques, this class offers valuable insights and practical guidance to elevate your artwork to new heights. Join Luc on this journey and unlock the secrets to creating captivating anime-style backgrounds with immersive perspectives.
