**Wedding Slideshow (Videohive 46173207) - AE Project:** wedding Slideshow isn't identical to many video hives. Every single piece of work is unique, thanks to your pictures! The design is created like all my other projects, carefully considering every aspect. The video tutorial demonstrates how easy it is to create compositions using photos and videos, change the text, and adapt the layout to suit your needs. Choose for yourself if you prefer a stunning, unique and unique animation or a duplicate copy. If you require assistance, contact me! I will respond in a matter of minutes.

To make use of this project, you must have After Effects software. It is recommended to use your Photos / Video Clips and titles. Music, videos, and images track you've been able to preview are not included.

- Modular structure - include or remove compositions
