

Laptop Mockup for After Effects (Videohive 52723148) - AE Project

2025-02-10 16:59:27 label 我要反馈 下载页面

The Laptop Mockup for After Effects is a versatile Laptop Mockup template designed for showcasing digital content.

How to use the 3D laptop model to display digital content to design your project in After Effects?

You can use "Laptop Mockup for After Effects" to design your project.

It features a 3D laptop model displayed on a platform with an opening dome, allowing seamless insertion of media into placeholders on the screen. Each scene offers customizable text layers and color controls, enhancing flexibility and ease of use. Ideal for presenting software, websites, apps, corporate presentations, and product promotions, this template supports 4K resolution and is compatible with After Effects versions 2021 and above. It includes a font link and video tutorial for assistance, ensuring a modern, professional, and dynamic presentation for various projects.

Package information

The Last Update date of the template is 12 June 2024, and it was published on the same date, compatible with After Effects CC, and includes 7 media placeholders and 11 text placeholders.
