The **Motion Array Ripped Freeze Frame Titles** offer a collection of 6 dynamic titles with a gritty, high-contrast printed photograph effect.

How to design project titles with a halftone dot effect and torn paper edges with contrast change?

You can use "Motion Array Ripped Freeze Frame Titles" to design your project.

These titles automatically freeze frames, incorporating a halftone dot effect and ripped paper edges for a rugged aesthetic. Each title animates in, tearing apart swiftly, ideal for injecting energy into sports, gaming, activism, music, and more.
