### Fire Burn Transitions (Videohive 52724662):

Enhance your videos with dynamic transitions that freeze motion and create stunning fire effects! Perfect for car videos, sports openers, fight promos, or logo reveals, these transitions elevate your content and leave a lasting impression.

- **Freeze Frame Magic:** Effortlessly mask your subject directly on the Edit Page for stunning effects.
- **Rich Customization:** Tailor settings for camera shake, fire effects, and background animations to suit your style.
- **Fully Compatible:** Works with both the free and studio versions of DaVinci Resolve, supporting any resolution, including vertical formats for Instagram and TikTok.

### Package information

This DaVinci Resolve package, published on June 12, 2024, includes macros compatible with DaVinci Resolve Studio 18 and 18, featuring a resolution of 3840x2160 and a file size of 9.4MB, designed to streamline your editing process with a single media placeholder and lengths ranging from 1 to 5 seconds.
