Unity Asset - Modular City Alley Pack v2.0.0: Create intricate, atmospheric city alleys and streets effortlessly with our modular wall and ground pieces. Populate your scene with various unique props for added realism and immersion.

- Includes over 350 prefabs for building detailed environments.
- Choose from over 210 wall and floor pieces with swappable material options.
- Access over 120 unique props to enhance your scene.
- Utilize the snap-to-grid tool for quick assembly, or leverage ProGrids for precise alignment (shortcut: ctrl + L).
- Easily customize wall and floor materials to suit your desired aesthetic.
- Example scenes for both day and night environments are included.
- Compatible with HDRP and URP render pipelines.
- The demo scene contains approximately 850k triangles (with lights disabled and no occlusion culling).
- Textures range from 256 to 2k resolution, including BaseColor, MaskMap, Normal, Emissive, Height, and Detail maps.
